What needs to be achieved in order to accomplish the record? (e.g. time, length, number, weight...): _____

Under which conditions would the record attempt fail?: _____

If you are attempting a WORLD RECORD, please attach the rules you received from the respective organization to this form.

Conditions and notices:

Please note: We will have a sports hall, an outside track and a swimming pool. Records should be suitable for one of these locations. Records should not take longer than 7 hours. In case of longer record, it is necessary to consult its length with the organizers. It is forbidden to take drugs or other stimulants. Misuse of drugs will result in immediate disqualification. The organizer reserves the right to refuse a record if not suitable for this event. If you attempt a World Record we strongly recommend you apply and discuss the rules with the World Record committee at least 3 months before the event. Insurance should be arranged by the participant.

Disclaimer: I confirm that I shall abide by the rules for my disciplines, the decision of the judges and organizers. I also confirm that I am in the position to manage the chosen discipline without any risk to my or others' health. I know that the organizers are not responsible for any accident and I release them from any liability concerning my record attempt. I am aware that I act at my own risk.
